1.5 Deposit fee

DEPOSIT FEE	COMMENTS	DKK
A deposit fee is charged for currencies where the deposit rate in the applicable central bank is zero or negative. The deposit fee, as determined by the bank from time to time, is calculated on daily booked balances and charged monthly		

2. Payments

2.1 Third party expenses

THIRD PARTY EXPENSES	COMMENTS	DKK
In connection with different payment types/services, third parties might be involved and therefore additional cost might occur. These costs are however not decided and most often not charged by SEB. Therefore, these are not included in this price list. NETS-services are examples of this. SEB is able to support and handle payments and services as offered through the NETS system and priced and charged by NETS.
