SKANDINAVISKA ENSKILDA BANKEN AB (publ)

SEB is a leading Nordic financial services group. As a relationship bank strongly committed to delivering customer value, SEB offers financial advice and a wide range of financial services to corporate customers, financial institutions and private individuals in Sweden and the Baltic countries. In Denmark, Finland, Norway and Germany, SEB's operations focus on delivering a full-service offering to corporate and institutional clients and building long-term customer relationships. As of the date of this Information Memorandum, SEB serves more than four million private customers. As of 31 December, 2014, SEB had total assets of SEK 2,641 billion and total equity of SEK 135 billion. For the year ended 31 December, 2014, SEB's net profit was SEK 19.2 billion.

As of 31 December, 2014, SEB's customer base consisted of approximately 3,000 large corporate and institutional customers, approximately 400,000 SMEs and approximately four million private individuals. At the same date, SEB had 277 retail branch offices in Sweden and the Baltic countries. Outside its core markets, SEB has a strategic presence, through its international network in 20 countries, to support and service mainly its large corporate and institutional customers. As of 31 December, 2014, SEB had 15,910 full time equivalent staff, of which about half were located outside Sweden.

SEB has leading market positions in its core business areas. Euromoney named SEB as the Best Bank in Sweden in 2013 and 2014. Its Merchant Banking division is a leading corporate and investment bank in the Nordic region, with substantial market shares in, for example, fixed income, foreign exchange trading and cash management. SEB is currently the top corporate bank in the Nordic countries in terms of overall performance according to clients and their willingness to recommend SEB to others, according to the annual survey by TNS SIFO Prospera published in January 2015. SEB's Retail Banking division is a leading provider of corporate charge cards and co-branded cards in the Nordic countries. In Sweden, SEB is the third largest retail bank as measured by customer loans and one of the two largest banks as measured by long-term savings, according to data from the Swedish Insurance Federation and Sparbarometern as of 31 December, 2014. In asset management, SEB is the second largest asset manager in the Nordic region with assets under management of SEK 1,708 billion as of 31 December, 2014 (based on a comparison of total SEB assets under management and assets under management reported by other banks in the Nordic region).

In the insurance market, SEB is a leading provider of unit-linked insurance in the Nordic region, where it was ranked first in Sweden in terms of premium income (cash paid-in under insurance policies) on existing unit-linked policies and new policies written and measured at 30 September, 2014, with a market share of 16.5 per cent. during the preceding twelve months, according to data from the Swedish Insurance Federation and the Swedish Financial Supervisory Authority (the "SFSA").

SEB's share of total life insurance premiums paid (both on new and existing policies) in Sweden as at 30 September 2014 was 12 per cent., according to data from the Swedish Insurance Federation and the SFSA.

In the Baltic countries, taken together, SEB is the second largest bank by lending market share (according to the most recently available central bank and bank association statistics in those countries). In 2013 and 2014, SEB was recognised by the Banker as the best bank in all three of the Baltic markets in which it operates. SEB was also recognised as the best private bank in the Baltics by the Banker and Professional Wealth Management (PWM) and also as the best in transaction services in the Baltics by Euromoney.

In addition to its three strategic growth areas (namely its large corporate and institutional business in the Nordic countries and, on a select basis, Germany, its SME and private individuals business in Sweden, and its general savings and asset management business), SEB also seeks to grow in other business areas, such as the card business.

SEB's growth has been and is expected to be primarily organic. This growth is intended to be balanced by continued strong risk management and thorough risk analysis.

One key factor in assessing SEB's financial strength is the regulatory developments that are taking place internationally. In general, the regulatory changes require banks to retain more capital, including common equity, and a higher level of liquidity and to secure funding with longer maturities with the aim of creating a more stable global financial system. In November 2011, the Swedish government, the SFSA and the Swedish Riksbank jointly announced a proposal requiring the major Swedish banks to maintain a common equity tier 1 ("CET1") ratio of at least 10 per cent. by 2013 and 12 per cent. by 2015, calculated according to the Basel III and CRD IV capital adequacy frameworks without

transitional rules. In September 2014, the SFSA announced that the major Swedish banks will be assigned a systemic risk buffer of 3 per cent. in CET1 capital as of 1 January, 2015 and a further 2 per cent. CET1 requirement for systemic risk within the Swedish Pillar 2 framework. The SFSA is also imposing other additional CET1 capital requirements upon SEB under the Pillar 2 framework. The SFSA has announced that a countercyclical buffer of 1 per cent. for Swedish credit exposure will be activated in Sweden in September 2015 given current lending growth. As of 31 December, 2014, SEB's CET1 ratio on a fully implemented Basel III basis was 16.3 per cent. according to SEB's interpretation of the CRD IV/Capital Requirements Regulation regulatory requirements and as reported to the SFSA. SEB believes that having built significant capital buffers during the last three years, it is now in a position to focus on optimising its capital base.

The SFSA has introduced its own version of the originally proposed Basel III liquidity coverage ratio (the "Swedish LCR") and Swedish banks have been required to comply with this ratio since 1 January, 2013. The Swedish LCR is stricter than the originally proposed Basel III LCR in three ways. First, Swedish banks must comply with the Swedish LCR requirement not only on a total level (which is the Basel III requirement) but also in euro and U.S. dollars; second, Swedish banks are required to exceed the ratio requirement at all times and not just on a quarterly basis as is the current Basel III proposal; and third, there was no "phasing-in" period with the Swedish LCR applying from 1 January, 2013.

The banking environment remains uncertain and continues to require a strong and resilient foundation on which SEB can pursue its strategic direction. Having the required flexibility to accelerate or temper growth as needed, together with the capacity and focus to execute the strategy, will remain the key to success. To further strengthen SEB's resilience, work on a competitive and effective cost base has intensified since 2011. In 2012 and 2013, SEB's targets were to bring its total operating costs below SEK 23 billion and SEK 22.5 billion, respectively. In 2014, SEB's target was to maintain its total operating costs at less than 22.5 billion. In 2012, SEB's total operating costs, excluding one-off effects, were SEK 22.9 billion, although one-off information technology write-downs meant that its total operating costs for 2012 were SEK 23.7 billion. In 2013 and 2014, SEB's total operating costs were SEK 22.3 billion and SEK 22.1 billion, respectively. The target for 2015 and 2016 is to continue to maintain total operating costs below SEK 22.5 billion.

SEB's principal executive offices are located at Kungsträdgårdsgatan 8, SE-106 40 Stockholm, Sweden (telephone number: +46 771 62 10 00). It also operates through a number of other offices and branches located throughout the Northern European region and elsewhere internationally.

2. This ECP Global Note is issued in representation of an issue of ECP Notes in the above-mentioned aggregate Nominal Amount.
3. All payments in respect of this ECP Global Note by or on behalf of the Issuer shall be made without set-off, counterclaim, fees, liabilities or similar deductions and free and clear of, and without deduction or withholding for or on account of, taxes, levies, duties, assessments or charges of any nature now or hereafter imposed, levied, collected, withheld or assessed in any jurisdiction through, in or from which such payments are made or any political subdivision or taxing authority of or in any of the foregoing ("Taxes"), unless the withholding or deduction of the Taxes is required by law.  - (c) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive; or
 - (d) presented for payment by or on behalf of the bearer of this ECP Global Note who would be able to avoid such withholding or deduction by presenting this ECP Global Note to another Paying Agent in a Member State of the European Union.

This ECP Global Note constitutes unsecured and unsubordinated obligations of the Issuer and ranks *pari passu* with all other outstanding unsecured and unsubordinated obligations of the Issuer, present and future, but (in the event of insolvency) only to the extent permitted by laws relating to creditors' rights.
5. If the Maturity Date or, if applicable, the relevant Interest Payment Date is not a Payment Business Day (as defined herein), payment in respect hereof will not be made and credit or transfer instructions shall not be given until the next following Payment Business Day and the bearer of this ECP Global Note shall not be entitled to any interest or other sums in respect of such postponed payment.

As used in this ECP Global Note:

"Payment Business Day" means any day other than a Saturday or Sunday which is either (i) if the above-mentioned Specified Currency is any currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which, if the

Specified Currency is Australian dollars, shall be Sydney) or (ii) if the above-mentioned Specified Currency is euro, a day which is a TARGET2 Business Day; and

"TARGET2 Business Day" means a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET2) System, or any successor thereto, is operating credit or transfer instructions in respect of payments in euro.

6. This ECP Global Note is negotiable and, accordingly, title hereto shall pass by delivery and the bearer shall be treated as being absolutely entitled to receive payment upon due presentation hereof (notwithstanding any notation of ownership or other writing thereon or notice of any previous loss or theft thereof).
7. This ECP Global Note is issued in respect of an issue of ECP Notes of the Issuer in the aggregate Nominal Amount specified above and is exchangeable in whole (but not in part only) for duly executed and authenticated bearer ECP Notes in definitive form (whether before, on or, subject as provided below, after the Maturity Date):
 - (a) if any clearing system(s) in which interests in this ECP Global Note are cleared at the relevant time is closed for a continuous period of 14 days (other than by reason of public holidays); or
 - (b) if default is made in the payment of any amount payable in respect of this ECP Global Note.

Upon presentation and surrender of this ECP Global Note during normal business hours to the Issuer at the specified office of any Paying Agent (or to any other person or at any other office outside the United States as may be designated in writing by the Issuer to the bearer), the Issue Agent shall authenticate and deliver, in exchange for this ECP Global Note, bearer definitive Notes denominated in the above-mentioned Specified Currency in an aggregate nominal amount equal to the Nominal Amount of this ECP Global Note.

8. If, upon any such default and following such surrender, definitive ECP Notes are not issued in full exchange for this ECP Global Note before 5.00 p.m. (London time) on the thirtieth day after surrender, this ECP Global Note (including the obligation hereunder to issue definitive Notes) will become void and the bearer will have no further rights under this ECP Global Note (but without prejudice to the rights which the bearer or any other person may have under a Deed of Covenant dated 19 November, 2012 entered into by the Issuer).
9. If this is an interest bearing ECP Global Note, then:
 - (a) notwithstanding the provisions of paragraph 1 above, if any payment of interest in respect of this ECP Global Note falling due for payment prior to the above-mentioned Maturity Date remains unpaid on the fifteenth day after falling so due, the amount referred to in part (a) or (b) (as the case may be) of paragraph 1 shall be payable on such fifteenth day; and
 - (b) upon each payment of interest (if any) prior to the Maturity Date in respect of this ECP Global Note, the Schedule hereto shall be duly completed by or on behalf of the Principal Paying Agent to reflect such payment.
10. If this is a fixed rate interest bearing ECP Global Note, interest shall be calculated on the Nominal Amount as follows:
 - (a) interest shall be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the Maturity Date only, in arrear on the relevant Interest Payment Date, on the basis of the actual number of days in such Interest Period and a year of 360 days or, if this ECP Global Note is denominated in Sterling, 365 days at the above-mentioned Interest Rate with the resulting figure being rounded to the nearest amount of the above-mentioned Specified Currency which is available as legal tender in the country or countries (in the case of the euro) of the Specified Currency (with halves being rounded upwards); and

- (b) the period beginning on (and including) the Issue Date and ending on (but excluding) the first Interest Payment Date and each successive period beginning on (and including) an Interest Payment Date and ending on (but excluding) the next succeeding Interest Payment Date is an "Interest Period" for the purposes of this paragraph.

11. If this is a floating rate interest bearing ECP Global Note, interest shall be calculated on the Nominal Amount as follows:

- (a) in the case of an ECP Global Note which specifies LIBOR as the Reference Rate on its face, the Rate of Interest will be the aggregate of LIBOR and the above-mentioned Margin (if any) above or below LIBOR. Interest shall be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the Maturity Date only, in arrear on the relevant Interest Payment Date, on the basis of the actual number of days in such Interest Period and a year of 360 days or, if this ECP Global Note is denominated in Sterling, 365 days.

As used in this ECP Global Note:

"LIBOR" shall be equal to the rate defined as "LIBOR-BBA" in respect of the above-mentioned Specified Currency (as defined in the 2000 ISDA Definitions published by the International Swaps and Derivatives Association, Inc., as amended, updated or replaced as at the date of this ECP Global Note, (the "ISDA Definitions")) as at 11.00 a.m. (London time) or as near thereto as practicable on the second London Banking Day before the first day of the relevant Interest Period or, if this ECP Global Note is denominated in Sterling, on the first day thereof (a "LIBOR Interest Determination Date") as if the Reset Date (as defined in the ISDA Definitions) were the first day of such Interest Period and the Designated Maturity (as defined in the ISDA Definitions) were the number of months specified on the face of this ECP Global Note in relation to the Reference Rate; and

"London Banking Day" shall mean a day on which commercial banks are open for general business (including dealings in foreign exchange and foreign currency deposits) in London;

- (b) in the case of an ECP Global Note which specifies EURIBOR as the Reference Rate on its face, the Rate of Interest will be the aggregate of EURIBOR and the above-mentioned Margin (if any) above or below EURIBOR. Interest shall be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the Maturity Date only, in arrear on the relevant Interest Payment Date, on the basis of the actual number of days in such Interest Period and a year of 360 days.

As used in this ECP Global Note, "EURIBOR" shall be equal to EUR-EURIBOR-Telerate (as defined in the ISDA Definitions) as at 11.00 a.m. (Brussels time) or as near thereto as practicable on the second TARGET2 Business Day before the first day of the relevant Interest Period (a "EURIBOR Interest Determination Date");

- (c) the Principal Paying Agent will, as soon as practicable after 11.00 a.m. (London time) on each LIBOR Interest Determination Date or 11.00 a.m. (Brussels time) on each EURIBOR Interest Determination Date (as the case may be), determine the Rate of Interest and calculate the amount of interest payable (the "Amount of Interest") for the relevant Interest Period. "Rate of Interest" means (A) if the Reference Rate is EURIBOR, the rate which is determined in accordance with the provisions of paragraph 11(b), and (B) in any other case, the rate which is determined in accordance with the provisions of paragraph 11(a). The Amount of Interest shall be calculated by applying the Rate of Interest to the Nominal Amount of one Note of each denomination, multiplying such product by the actual number of days in the Interest Period concerned divided by 360 or, if this ECP Global Note is denominated in Sterling, by 365 and rounding the resulting figure to the nearest amount of the above-mentioned Specified Currency which is available as legal tender in the country or countries (in the case of the euro) of the Specified Currency (with halves being rounded upwards). The determination of the Rate of Interest and the Amount of

Interest by the Principal Paying Agent shall (in the absence of manifest error) be final and binding upon all parties;

- (d) a certificate of the Principal Paying Agent as to the Rate of Interest payable hereon for any Interest Period shall be conclusive and binding as between the Issuer and the bearer hereof;
- (e) the period beginning on (and including) the Issue Date and ending on (but excluding) the first Interest Payment Date and each successive period beginning on (and including) an Interest Payment Date and ending on (but excluding) the next succeeding Interest Payment Date is called an "Interest Period" for the purposes of this paragraph; and
- (f) the Issuer will procure that a notice specifying the Rate of Interest payable in respect of each Interest Period be published as soon as practicable after the determination of the Rate of Interest. Such notice will be delivered to each clearing system in which interests in this ECP Global Note are cleared at the relevant time or, if this ECP Global Note has been exchanged for bearer definitive ECP Notes pursuant to paragraph 7, will be published in a leading English language daily newspaper published in London (which is expected to be the *Financial Times*).

12. Instructions for payment must be received at the specified office of any Paying Agent together with this ECP Global Note as follows:

- (a) if this ECP Global Note is denominated in Australian dollars, New Zealand dollars, Hong Kong dollars or Japanese Yen, at least two Business Days prior to the relevant payment date;
- (b) if this ECP Global Note is denominated in United States dollars, Canadian dollars or Sterling, on or prior to the relevant payment date; and
- (c) in all other cases, at least one Business Day prior to the relevant payment date.

As used in this paragraph, "Business Day" means:

- (i) a day other than a Saturday or Sunday on which commercial banks are open for general business (including dealings in foreign exchange and foreign currency deposits) in London; and
- (ii) in the case of payments in euro, a TARGET2 Business Day and, in all other cases, a day on which commercial banks are open for general business (including dealings in foreign exchange and foreign currency deposits) in the principal financial centre in the country of the above-mentioned Specified Currency.

13. No person shall have any right to enforce any term or condition of this ECP Note under the Contracts (Rights of Third Parties) Act 1999.

14. This ECP Global Note shall not be validly issued unless manually authenticated by Deutsche Bank AG, London Branch as Issue Agent.

15. This ECP Global Note and any non-contractual obligations arising out of or in connection with this ECP Global Note are governed by, and shall be construed in accordance with, English law.

The Issuer irrevocably agrees for the benefit of the bearer that the courts of England shall have jurisdiction to hear and determine any suit, action or proceedings, and to settle any disputes, which may arise out of or in connection with this ECP Global Note (including any dispute relating to any non-contractual obligations arising out of or in connection with this ECP Global Note) (respectively, "Proceedings" and "Disputes") and, for such purposes, irrevocably submits to the jurisdiction of such courts. The Issuer irrevocably waives any objection which it might now or hereafter have to the courts of England being nominated as the forum to hear and determine any Proceedings and to settle any Disputes and agrees not to claim that any

such court is not a convenient or appropriate forum. The Issuer agrees that the process by which any Proceedings are begun in England may be served on it by being delivered to its London branch at Scandinavian House, 2-6 Cannon Street, London EC4M 6XX. In the event of the Issuer's London branch ceasing so to act or ceasing to be registered in England, the Issuer shall forthwith appoint a person in England to accept service of process on its behalf in England and notify the name and address of such person to the Principal Paying Agent. Nothing contained herein shall affect the right to serve process in any other manner permitted by law. The submission to the jurisdiction of the courts of England shall not (and shall not be construed so as to) limit the right of the bearer to take Proceedings against the Issuer in any other court of competent jurisdiction nor shall the taking of Proceedings in any one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not) if and to the extent permitted by applicable law.
